FRANCESCA SPIGARELLI talks with

CRISTIANO VENTURINI

Group CEO @ iGuzzini

» **Going global to preserve
local economic and social growth**

Francesca Spigarelli, Ph.D. Dr. is Full Professor of Applied Economics at the **University of Macerata** (Italy) and **Vice-Rector for Research and for Third Mission**. She also is Director China Center, University of Macerata. She has extensive experience in coordination of EU funded projects. Her research interests include: industrial policies and industry dynamics; foreign direct investments; the Chinese economy.

Cristiano Venturini, 38, studied Business Administration and Management at **Bocconi University** and Marketing at the **Melbourne Business School**. After an initial working period **between Beijing and Singapore**, in 2008 he joined **iGuzzini**, a world leader in architectural lighting based in Recanati, where he held various roles until becoming **CEO Chief Executive Officer** in 2020.
