

GMAR Robotics Summer School 2022

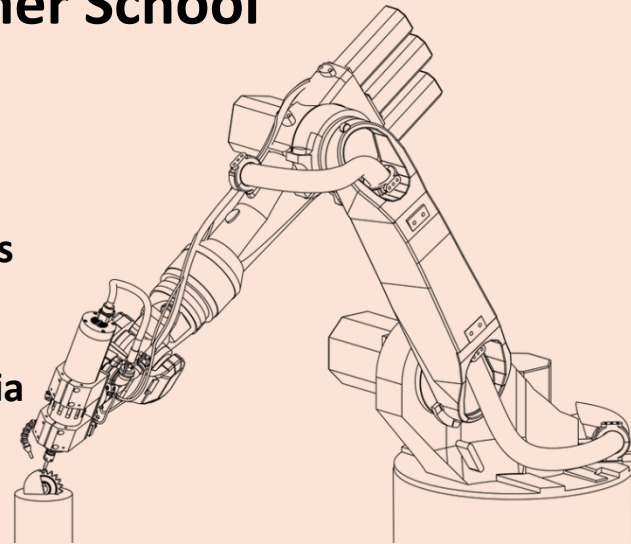

Topic: Robots in Industrial Environments

**UAS Technikum Wien
Hochstaedtplatz 6, 1200 Vienna, Austria**

September 5-9, 2022

The 2022 GMAR Robotics Summer School will be held at UAS Technikum Wien in Vienna from 5th to 9th of September 2022. This year's topic is "Robots in Industrial Environment". The goal of the course is to provide students with insight into new technologies and trends in industrial and mobile robotics, as well as hands-on lab experience and offline simulation skills. It offers students the opportunity to analyze industrial and mobile robots from market leaders in a real-world setup and work hands-on with them in small teams.

- ✓ Technikum Digital Factory
- ✓ Robot Safety
- ✓ Robot-based Manufacturing
- ✓ Machine Vision Applications
- ✓ Mobile Robotics in an Industrial Environment
- ✓ Simulation of Industrial Applications

Monday, 5.9.2022	Tuesday, 6.9.2022	Wednesday, 7.9.2022	Thursday, 8.9.2022	Friday, 9.9.2022
Lectures and Hands-on sessions	Lectures and Hands-on sessions	Lectures and Hands-on sessions	Company visits in Lower Austria	Guest Lectures
