

**Politecnico
di Torino**

Nucleo
Dottorato di Ricerca

Eligible to the interviews for the PhD program in **Management and Production Engineering** 39th Cycle – Second session

The interview will be held **remotely through the Skype platform using the link below to connect:**

<https://join.skype.com/JvPF6JPoJx3Q>

On **September 11, 2023 at 9:00 a.m. (Italian time)**, interviews will be held with the candidates, who will presumably be called in alphabetical order. Each interview will last approximately 15-20 minutes. A more detailed schedule, including the sequence and duration of the individual interviews, will be provided before the session.

To take the interview, all applicants will be required to produce valid identification.

All candidates compete for scholarships without research topic (if available).

Those interested in the scholarships with predefined research topic and/or PhD positions in apprenticeship must exercise their option through the online Apply procedure, starting **September 6, 2023** and by noon (Italian time) on **September 10, 2023**.

Torino, 01/08/2023
