

**Politecnico
di Torino**

Nucleo
Dottorato di Ricerca

Interviews for the National PhD Programme with administrative seat at Politecnico di Torino **Artificial Intelligence - Industry** **39th Cycle**

The interviews will take place from 7th to 15th **September 2023** in the time slot **8:00 a.m. – 7 p.m.** (CET - Italian time).

The detailed agenda of the interviews will be published on the page <https://www.polito.it/en/education/phd-programmes-and-postgraduate-school/admissions-to-phd-programmes/admissions/interview>

There are no free thematic scholarships.

All applicants must therefore exercise their option for theme-bound scholarships through the Apply procedure starting from 2nd to 6th September 2023 by 12.00 p.m. (CET - Italian time).

The interview will take place remotely and in English.

To take the oral examination, all candidates must present a valid identification document and guarantee the use of a webcam to allow their identification.

The candidate must be available on the day of the oral exam according to the detailed calendar that will be published following to the publication of admitted applicants to the interview.

Each candidate must begin the interview with a 5-minute presentation of their research activity, also using the support of a maximum number of 5 slides.

In case of need, candidates can contact Prof. Stefano Di Carlo, President of the Commission, at the following address: stefano.dicarlo@polito.it
