Update of 12th September 2023

Call for applications for admissions to the English-taught Bachelor's degree programmes of the Engineering area Academic year 2023/2024

INGEGNERIA MECCANICA (MECHANICAL ENGINEERING)

Non-EU applicants who reside abroad and require a visa

Approvata con D.R. 859 del 05/09/2023

The ranking list of art. 9 of the "Call for Applications for admissions to the Bachelor's Degree programmes of the Engineering area for Non-EU applicants who reside abroad and require a visa" is formulated on the basis of the criteria indicated in art. 10 of the Call.

The ranking list classify applicants in the following positions:

ASSIGNED STUDENT: a student who **MUST** reserve his/her student place in the Bachelor's degree programme which has been assigned to him/her; failure to reserve the student place by the deadline will result in the allocation of his/her place to another applicant – **therefore, failure to reserve one's student place by the deadline entails permanent renunciation of the place.**

BOOKED STUDENT: a student who can reserve his/her student place in a programme that is not the programme of his/her first preference. This student may also be on the waiting list for one or more programme/s with higher preference based on the order of preference that he/she has expressed during the application process.

In this case, the student **CAN** either:

- reserve his/her student place in the programme that has been assigned to him/her and automatically give up the other preferences;
- wait for the next call/s after the next update/s of the ranking list.

If the applicant does not reserve his/her student place, Politecnico will consider that he/she intends to wait for the next call/s.

STUDENT ON WAITING LIST: a student who has not been offered a place in any degree programme that he/she had chosen during the application process, but could be offered a place in a non-saturated degree programme in the next call/s if other students with better scores on the ranking list decide to renounce. This student must wait for the next the call/s;

NOT ADMITTED STUDENT: a student who has not reached the minimum admission threshold in the TIL-I test.

After the first update of the ranking list, applicants are divided into further categories:

ENROLLED STUDENT: a student who has reserved his/her student place and has completed the online enrolment process (as stated in art. 13 of the Call);

WAITING LIST RENUNCIATION: a student who has explicitly renounced his/her right to be on the waiting list (art.11, par. 3 of the Call).

ENROLMENT RENUNCIATION:

- a student who has been ASSIGNED a place but has failed to reserve his/her student place by the deadline;
- a student who has ENROLLED in a programme but has withdrawn from it before the closing date of the ranking list/ before the update of the ranking list referred in art. 11, par. 4 and 5 art. 13, par. 4. of the Call.

NOT ADMITTED STUDENT DUE TO UNFULFILLED LANGUAGE REQUIREMENTS: a student who has correctly reserved his/her student place but is not allowed to enrol since he/she does not meet the language requirements illustrated in Annex A of the Call;

NOT ADMITTED STUDENT DUE TO CLOSED RANKING LISTS: a student who has not been admitted since the ranking lists were already closed when he/she decided to enrol (see art. 11, par. 5 of the Call).
