

RULES FOR ENROLMENT IN BACHELOR'S DEGREE PROGRAMMES OF THE ENGINEERING AREA FOR A.Y. 2019/20 AS OF 18TH MARCH 2019

EU students , quota students and equivalent students who reached the minimum admission threshold in the TIL-I test can enrol at Politecnico for a.y. 2019/20 from the Apply@polito platform, as provided for in the Call for admissions to the Bachelor's degree programmes of the engineering area (http://orienta.polito.it/en/calls_for_admissions_2019_20 - art. 11) **by:**

- **2 p.m. of Monday 09th September**
- **2 p.m. of Friday 20th September (for quota students only)**

You can find more information (enrolment requirements and procedures, rules for candidates taking multiple admission test, etc.) in the Call for admissions to the Bachelor's degree programmes of the engineering area for a.y. 2019/20 and annexes http://orienta.polito.it/en/calls_for_admissions_2019_20.

If you **do not have your fiscal code yet**, you must follow the procedure for “provisional enrolment” as specified on the webpage dedicated to “*Students who will obtain their high school the diploma in a.y. 2018/19 or students currently enrolled at another University*”

Attending classes or watching video lessons

After enrolling, you will be able to attend the classes that are offered in that particular period.

You will also be able to watch the video lessons of your first-year subjects (1st and 2nd semester), apart from English Language video lessons.

PLEASE NOTE: The only video lessons available for the first year of the Bachelor's degree programme in Industrial Production Engineering are Mathematical Analysis II and Computer Science.

Taking the exams

Your first examination session will be the **Summer session** (June/July 2019). Further information will be available in the Student Guide in the sections “Taking the exams” and “Foreign language learning”.

Exam dates and deadlines for exam registration are available on your personal page of the Teaching Portal/Portale della Didattica.

The exams, for the summer and September sessions, may be taken exclusively in the city of Turin.

Young Talent Project

If you scored at least 70 points in the TIL-I test, you can apply for the Young Talent Project, provided that this project is offered for a.y. 2019/20.

Certificates

Information on how to get certificates, self-certifications or other documents is available at: https://didattica.polito.it/guida/2020/it/certificati_e_autocertificazioni?cds=9&sdu=32

Candidates who take multiple admission tests

After completing your “provisional enrolment” at Politecnico you will NOT be able to take the TIL-I test again (in order to get a better score). Further information about candidates who take multiple admission tests (both at Politecnico or at other universities) is provided for in art. 15 of the Call for admissions to the Bachelor’s degree programmes of the Engineering area http://orienta.polito.it/en/calls_for_admissions_2019_20 For all matters not specifically provided for in this document, reference is made to the Call for admissions to the Bachelor’s degree programmes of the Engineering area - a.y. 2019/20.
