

Meet the world  
VIA University College

[en.via.dk](http://en.via.dk)

A group of four young adults (two men and two women) are sitting on a curved wooden pier that extends over a body of water. The pier is supported by several vertical posts. In the background, there is a lush green forested hillside under a clear blue sky with some light clouds. The water is bright blue with some ripples and reflections.

# Welcome to VIA
