

## **TOPoliTO Scholarships**

### **Bachelor of Science programs - Call for applications for the 2016/17 academic year**

### **Final list of standings - admission test in Italy**

This list of standing is based on the requirements and deadlines included in the [notice of competition](#) for the ToPoliTO scholarships and [Calls for admission](#) to the Bachelor of Science programs in *Engineering, Design and visual communication* and *Territorial, urban, environmental and landscape planning*.

It aims to assign the scholarships not awarded due to withdrawal of some eligible students of the 1<sup>st</sup> ranking list published on September,30<sup>th</sup>. It takes moreover into consideration the remarks received within 05/10/2016.

Students indicated as “*Eligible for ToPoliTO scholarship-engineering*” in the ranking list have to formally accept the scholarships within October, 10<sup>th</sup> at 12.00 a.m. by signing the acceptance form that will be sent to them by e-mail.

In case of withdrawal, scholarships not awarded will be made available for the call for the 2017/18 academic year.

This list of standing is published on the online Official Register of the Politecnico di Torino ([https://www.swas.polito.it/dotnet/albo\\_online/](https://www.swas.polito.it/dotnet/albo_online/)) and on the personal page on Apply@Polito ([http://apply.polito.it/index\\_en.html](http://apply.polito.it/index_en.html)) - “Research and Academic scholarships” section.

The affixing of the lists of standings to the online Official Register of the Politecnico di Torino is, for all intents and purposes, the only official notification of inclusion in the lists of selections and, for students with the appropriate qualifications, the only official communication that they have been awarded a scholarship. The Politecnico di Torino assumes no responsibility for the applicant's failure to view the lists of standings and/or the terms for the acceptance of the scholarships as published on the online Official Register of the Politecnico.
