Final list of standings

This list of standings is based on the requirements and deadlines included in the [Announcement of selection for EU international students who will enroll in the 2nd term 2020/21 academic year](#).

The list of standings aims to **assign** TOPoliTO scholarships based on the number of scholarships available.

Students indicated as “**winner**” in the ranking lists must **formally accept the scholarships within April 27th, 2021** according to procedures that will be communicated to them **by e-mail**.

Please note that in case of withdrawal of winners no reassignment will be possible as there is no waiting list with eligible student. Therefore the update final lists of standings upon reassignments foreseen on May 4th, 2021 will not be published

Provisional and final lists of standings are published on the [online Official Register of the Politecnico di Torino](#) and on the [TOPoliTO project website](#)

The publication of the lists of standings to the online Official Register of the Politecnico di Torino and on the TOPoliTO project website is, for all intents and purposes, the only official notification of inclusion in the lists of selections and, for students with the appropriate qualifications, the only official communication that they are eligible for a scholarship. The Politecnico di Torino assumes no responsibility for the applicant's failure to view the lists of standings and/or the terms for the acceptance of the scholarships as published on the websites above.
