TOPoliTO Scholarships

Call for applications for the 2017/18 academic year

for international students

Bachelor of Science – Architecture programs

Final list of standings

Provided that the list of standing takes into account students that obtained a minimum score of 60 in the entrance test of September 7th 2017, this is the final list of standings based on the requirements and deadlines contained in the notice of competition for the TOPoliTO scholarships and calls for admission to the Bachelor of Science programs in Architecture.

The final list of standing is published on the online Official Register of the Politecnico di Torino and on the TOPoliTO project website.

Winner students will have to **formally accept** the scholarships by signing the acceptance form that will be sent to them **by e-mail**.

The affixing of the lists of standings to the online Official Register of the Politecnico di Torino is, for all intents and purposes, the only official notification of inclusion in the lists of selections and, for students with the appropriate qualifications, the only official communication that they have been awarded a scholarship. The Politecnico di Torino assumes no responsibility for the applicant's failure to view the lists of standings and/or the terms for the acceptance of the scholarships as published on the online Official Register of the Politecnico
