TOPoliTO Scholarships – Bachelor of Science programs Selection for international students enrolling in the 2023/24 academic year

Provisional lists of standings

These lists of standings are based on the requirements and deadlines established by the TOPoliTO Scholarships – Bachelor of Science programs [announcement of selection](#) for international students enrolling in the 2023/24 academic year.

The lists of standings are to be considered **provisional**. They have been drawn up according to awarding requirements and procedures defined in art. 2, 3 and 4 of the announcements of selection. They include students who **have completed procedures for student place reservation and on-line enrolment for a Bachelor of Science program in a.y. 2023/24**, who have applied for TOPoliTO scholarships and who are **eligible but subject to verification** or **not eligible** for the scholarship.

In case of **appeals to provisional ranking lists**, applicants must submit the appeal within **27/09/2023** by e-mail to the following account: topolito.grants@polito.it.

According to art. 5 of the announcement of selection, the **final list of standings with scholarship recipients**, will be published according to the following calendar:

05/10/2023	publication of final list of standings with scholarship recipients subject to verification
11/10/2023	deadline for the acceptance of the scholarships by scholarship recipient subject to verification
18/10/2023	publication of updated final list of standings upon reassignment in case of withdrawal of scholarship recipients.

TOPoliTO scholarship recipients are all to be considered as “**subject to verification**” until Politecnico di Torino completes the verification process of the requirements and incompatibilities, according to art. 2 of TOPoliTO announcement of selection, no later than June 28th, 2024. Without prejudice to further verification on the conditions for maintaining the scholarship pursuant to art. 8 of the announcement of selection.

If the verification process reveals that a student does not meet one or more TOPoliTO requirements of announcement of selection, his/her scholarship assignment will be revoked with immediate effect and possible retroactivity.

Provisional and final lists of standings are published on the [online Official Register of the Politecnico di Torino](#) and on the [TOPoliTO project website](#)

The publication of the lists of standings on the **online Official Register of the Politecnico di Torino** and **on the TOPoliTO project website** will be, for all intents and purposes, **the only**

**Politecnico
di Torino**

TOPoliTO
Scholarships

official notification of the lists of selections and, for students with the appropriate qualifications, the only official communication that they have been awarded a scholarship.

Politecnico di Torino cannot be held responsible for the applicant's failure to view the lists of standings and/or to accept the scholarship subject to verification according to the terms published in the online Official Register of the Politecnico di Torino and in the TOPoliTO call.
