

TOPoliTO Scholarships-Bachelor of Science

Call for applications for the 2018/19 academic year

Reserved to international students sitting for the [admission test in Italy](#)

Final lists of standings and scholarships assignment

These lists of standing are based on the requirements and deadlines included in the [notice of competition](#) for the TOPoliTO scholarships and [calls for admission to the Bachelor of Science programs](#) 2018/19 in *Engineering, Design and visual communication and Territorial, urban, environmental and landscape planning*.

The lists of standings aim to **assign TOPoliTO scholarships** based on the number of scholarships available. Please note available scholarships have been **increased** as follows:

- 3 scholarships available for *Design and Visual Communication* field and 2 for *Territorial, Urban, Environmental and Landscape Planning* have been assigned to the *Engineering* field;
- 7 scholarships not assigned within the TOPoliTO scholarships call- admission test in China have been assigned to the *Engineering* field (according to art. 4 of the China [call](#)).

A total of 36 scholarships have therefore been assigned (approved by the [General Director n.1133 – 02/10/2018](#))

Students indicated as “**winner**” in the ranking lists have to **formally accept the scholarships within 10/10/2018** according to procedures that will be communicated to them **by e-mail**.

Based on the acceptance received, on **24/10/2018** an update final lists of standings upon reassignment will be published in case of availability of funds.

Final lists of standings are published on the [online Official Register of the Politecnico di Torino](#) and on the [TOPoliTO project website](#).

The affixing of the lists of standings to the online Official Register of the Politecnico di Torino and on the TOPoliTO project website is, for all intents and purposes, the only official notification of inclusion in the lists of selections and, for students with the appropriate qualifications, the only official communication that they have been awarded a scholarship. The Politecnico di Torino assumes no responsibility for the applicant's failure to view the lists of standings and/or the terms for the acceptance of the scholarships as published on the websites above.

Turin, 03/10/2018

**TOPoliTO Scholarships
Bachelor of Science A.Y. 2018/19 – admission test in Italy**

Final lists of standings and scholarships assignment

1. Engineering
