These lists of standings are based on the requirements and deadlines established by the TOPoliTO Scholarships – Bachelor of Science programs [announcement of selection](#) for international quota students enrolling in the 2022/23 academic year.

With reference to the final ranking lists that has been published on **September 16th, 2022**, these lists of standings aim **to assign**:

Students indicated as “***scholarship recipient upon reassignment, subject to verification***” in the ranking lists have to **formally accept the scholarships within October 5th, 2022** according to procedures that will be communicated **by e-mail**.

TOPoliTO scholarship recipients are all to be considered as “**subject to verification**” until Politecnico completes the verification process of the requirements and incompatibilities, according to art. 2 of TOPoliTO [announcement of selection](#), not later than June 30th, 2023. Without prejudice to further verification on the conditions for maintaining the scholarship pursuant to art. 8 of the [announcement of selection](#). If the verification process reveals that a student does not meet one or more TOPoliTO requirements of [announcement of selection](#), his/her scholarship assignment will be revoked with immediate effect and possible retroactivity.

Provisional and final lists of standings are published on the [online Official Register of the Politecnico di Torino](#) and on the [TOPoliTO project website](#)

The publication of the lists of standings in the online Official Register of the Politecnico di Torino and in the TOPoliTO project website is, for all intents and purposes, the only official notification of scholarship awarding.
