Call for applications to National PhD programmes  
with administrative seat at Politecnico di Torino

**Materials, Sustainable Processes and Systems  
for the Energy Transition**  
39<sup>th</sup> Cycle

## LIST OF REPLACEMENTS

Following to the failure of shortlisted candidates to complete the enrolment by the deadlines set in the Call for applications to National PhD programmes with administrative seat at Politecnico di Torino, the following eligible candidates are admitted to the PhD Programme in “**Materials, Sustainable Processes and Systems for the Energy Transition**”, according to the position in the ranking list published on 26<sup>th</sup> September 2023.

User	Allocated scholarship
F536874	MUR DM 117/GEMMATE - Design of photoelectrochemical devices for a direct transformation of sunlight and CO2 into chemicals for energy storage
F456356	MUR DM 118 - Innovative and sustainable semiconducting materials for ionizing radiation detection

**The replacing candidates shall proceed with the on-line enrolment through the Apply procedure from 21<sup>st</sup> to 27<sup>th</sup> November 2023 and should complete the second phase of enrolment in-person at the PhD Unit office from 27<sup>th</sup> to 30<sup>th</sup> November 2023.**

In the event that the Ph.D. candidate cannot be in Turin by the deadlines to complete the second phase of the enrolment process in person, they must promptly inform the PhD Unit and provide a duly justified request to complete the second phase of the enrolment process remotely; in any case, the remote enrolment should be completed by 30<sup>th</sup> November.

Ph.D. candidates who have completed the second phase of the enrolment process through the Virtual Desk are enrolled “with condition” and must present themselves for the delivery of their documents at the offices of the PhD Unit by 31<sup>st</sup> January 2024. Failure to arrive in Turin and present the documents by the deadlines will be considered as renunciation of the Ph.D. position.

We inform replacing candidates that the starting date of their PhD will be on 1<sup>st</sup> December 2023.
