Rettore

*Amendment to the Call for applications for admissions to the Bachelor's degree programme in
Territorial, Urban, Environmental and Landscape Planning
a.y. 2024/25*

THE RECTOR

[omissis]

Considering Rector's Decree no. 1296 of 22 December 2023 - "Call for applications for admissions to the Bachelor's degree programmes in the area of *Engineering, in Design and Communication and in Territorial, Urban, Environmental and Landscape Planning* for academic year 2024/25";

Considering the favourable opinion expressed by the Academic Senate on 19 December 2023 and the resolution of the Board of Governors of 21 December 2023, in which a total number of 80 student places has been set for the Bachelor's degree programme in *Territorial, Urban, Environmental and Landscape Planning* for academic year 2024/25

Given that, due to a mistake in the Call for applications for admissions to the Bachelor's degree programme in *Territorial, Urban, Environmental and Landscape Planning* for academic year 2024/25, the Call indicated a total number of 85 student places in art. 1 par.1;

DECREES

Art. 1 - that the total number of student places indicated in art.1, par. 1 of the Call for applications for admissions to the Bachelor's degree programme in *Territorial, Urban, Environmental and Landscape Planning* for academic year 2024/25 must be rectified both in the Italian and in the English version. The correct number of student places is 80 places.

THE RECTOR
Prof. Guido Saracco
