

## PROCEDURE

### Mobility timeline:

|                      | Fall semester | Spring semester |
|----------------------|---------------|-----------------|
| Nomination deadline  | May           | November        |
| Application deadline | May-June      | End of November |

:

Home University sends nomination through the nomination@polito tool (login instructions will be sent by e-mail), detailing:

- Student family name and first name
- Student e-mail address
- Mobility starting period and activity
- Field of study
- Contact person at the international office

### DOCUMENTS :

After the nomination, students receive the instructions to fill in the on-line application form. Required documents to be attached:

- Copy of passport or ID card (EU citizens)
- Transcript of Records with GPA
- Language certificate (if required\*)
- Project proposal (mobility for thesis/research only)

earning agreement polito

Learning Agreement definition and final acceptance.

Politecnico di Torino governing board established that students have to define their Learning Agreement including at least 6 credits/ECTS per semester from a PoliTo Degree programme included in the mobility agreement.

### Credit system:

Degree courses are structured in credits (Crediti Formativi Universitari – CFU). University credits are based on the workload students need in order to achieve the expected learning outcomes. Each credit corresponds to 25 hours of student workload, including independent study. The average workload of a full time student is conventionally fixed at 60 credits per year. Thus, the CFU fully coincide with the ECTS credits.
