13 SEPTEMBER - 1 OCTOBER 2021

APPLY NOW

3 WEEKS OF FREE TRAINING TO LAUNCH YOUR STARTUP

About CAST

CAST (Creating A great Startup) is an online entrepreneurship program for new venture creation. During the summer school, participants will work on ideas proposed by students or patented technologies from Politecnico di Torino. Participants will attend lectures and workshop on how to turn an idea into a viable business. They will work in team and will be coached by mentors.

Info & Schedule

Enrollment open until
August 31th

School held in English

Limited Seats

TARGET

The summer school is open to MSc and PhD students from Politecnico di Torino and Unite! partners.

SCHOOL FORMAT

Lessons, workshops and team works will be held online, with both synchronous and asynchronous sessions.

TEAM

The summer school will involve 30 students, divided into 6 teams.
