HOW TO ACCESS THE VIRTUAL LAIBs – QUICK GUIDE

LOG IN

1) Go to: https://virtualpc.polito.it using an updated browser

2) Select **VMware Horizon HTML Access**

3) Enter your PoliTo credentials (example: If you are a student, enter s + student number@studenti.polito.it + your password)

4) Select the Pool **VCLA-F**

5) Select the **QUICK PLACEMENT TEST** icon

6) Select the language you usually speak

7) In the **Surname** field, type **S student number SURNAME** and in the second field type your **NAME**

8) Warning: **do not click the yellow question mark during the test**

9) When you finish, please click **EXIT**

10) You can check your score on your personal page of the Teaching Portal – "Languages/Lingue" TAB in the following days.

LOG OUT

Once you have finished your Quick Placement Test:

- **FIRST** disconnect your user by clicking **START** and **DISCONNECT**

- **AND THEN** log out from the virtualisation environment by clicking the **MENU icon** in the top left corner and then **LOG OUT**

N.B.: Active sessions disconnected without proper logout are automatically ended after 10 minutes.
