PROGETTO TOP-UIC

Track 1

Department of Mechanical
and Industrial Engineering

- LM in Mechanical Engineering
- LM in Ingegneria Meccanica
- LM in Ingegneria Energetica e Nucleare
– Orientamento Renewable Energy
Systems

Track 2

Department of
Computer Science

- LM in Ingegneria
Informatica/
Computer
Engineering
- LM in Cybersecurity
- LM in Data Science
Engineering

Department of
Electrical and
Computer Engineering

- LM in Ingegneria
Elettronica
- LM in Mechatronic
Engineering
- LM in ICT for Smart
Societies
- LM Communications
Engineering

**Politecnico
di Torino**

Thanks for the attention
