## Ranking List for the PhD program in **Mechanical Engineering** 41<sup>th</sup> Cycle – First session

Total number of ordinary positions available in first session: 10

Total number of positions reserved to boursaries of Governments or by national or foreign public bodies, available in first session: 1

Summary tab of scholarships available in first session:

5	Amministrazione centrale/DIMEAS	Scholarships with own research topic
1	CRT/DIMEAS - Safety of future mobility vehicles: design and injury evaluation with numerical methodologies	Scholarship with predefined research topic
1	DIMEAS - Modular modelling and optimal management of small coastal communities as linked energy hubs	Scholarship with predefined research topic

Number of positions for Ph.D in apprenticeship for the first session:

1	Development of a processing and optimization frame	Position with predefined research topic
1	Electrification of Agricultural Tractor Vehicles	Position with predefined research topic

Number of positions without scholarship available for the first session: 1

## ELIGIBLE CANDIDATES

User	Score	Eligibility to scholarship with predefined research topic	Waiving right to scholarship	Allocated scholarship	Notes
F555510	69	---	---	---	---

Applicants who scored at least 60/100 and want to assert their eligibility to get admission within the number of reserved positions available (art. 2 paragraph 2 "Reserved Ph.D positions" in the call for admission) shall contact PhD Office ([exclusively through the ticketing service](#)) by **3<sup>rd</sup> October 2025**, including documents supporting their request of admission within the total number of reserved position.

### Description of Notes field:

\* Conditional admission: because the Master Degree is not yet acquired. The eventual enrollment to a PhD program could take place only if the Master Degree is achieved within **31<sup>th</sup> October 2025**. The failure of achievement by the deadline would result in the irrevocable loss of the right to enroll.

Torino, 22/07/2025
