

International Mobility students are entitled to access the food service provided by **EDISU Piemonte** by paying a discounted rate corresponding to the lowest price bracket, bracket 11.

EDISU Food Service is offered in **canteens** located near the main University sites and, only for those attending University sites where canteens are not provided, it is possible to use the service in **alternative services** at affiliated commercial exercises (like “cafes”).

Payment in canteens and alternative services is possible only by presenting to the cashier the APP called “**Campus Piemonte ID Meal**,” which is downloadable in the App Store, Google Play and AppGallery Huawei stores and which, in order to be used, must be associated with the user's device by accessing his/her personal EDISU page through our Sportello Online.

IMPORTANT:

As you are an Incoming Mobility Student, **you do not have to autonomously register on EDISU systems** by requesting the temporary code. **At the beginning of September Politecnico di Torino will send EDISU your data and you will receive the login credentials on your personal e-mail address (the one you used for applying at PoliTO)**. Only **after 36 hours** from the receipt of the message, you will be able to download the APP and use the catering service.

You can find all useful information and detailed instructions on using the APP on our website in the section “FOOD SERVICE” - “International Mobility Students” <https://www.edisu.piemonte.it/en/services/food-services/app-campus-piemonte-id-meal>
If you have any doubts or questions, we invite you to open a TICKET to EDISU by going to our website in the “TICKETING” section <https://clio.edisu-piemonte.it/ticket.aspx>
