di Torino**

STUDENT WELFARE

Online Procedure:
Filling out Instructions

A.Y. 2025/2026

2

What are the requirements for accessing the Mobility and Culture Package benefits?

- Full-time enrolment for the 2025/2026 academic year in a Bachelor's, Master's, or PhD programme
- Having obtained the following number of university credits (CFU) between 10th August 2024 and 10th August 2025:

Bachelor or Master of Science first-year students	0 CFU
Bachelor or Master of Science second-year students	10 CFU
Students enrolled beyond the second time in a Bachelor or Master degree programme	25 CFU
Ph. D. students	0 CFU

Which subscriptions are eligible for reimbursement?

- **Travel passes** not covered by the **Piemove** initiative, purchased no later than 19th December 2025, with validity starting no earlier than 1st July 2025 and a duration between 10 and 12 months
- **Bike sharing subscriptions** purchased between the 1st July and 19th December 2025, with a minimum duration of 90 days
- The maximum reimbursable amount is **cumulative** and includes:
 - the travel pass
 - the bike sharing subscription/membership

How to apply?

- Access the online procedure through *Abbonamenti Studenti* procedure available on each student's personal page of the *Portale della Didattica/Segreteria online*
- The procedure will be active from **October 2025** until **19th December 2025**

Reimbursement Value for Travel Passes and/or Bike Sharing for students not eligible for the Piemove initiative

- Partial reimbursement of the travel pass for students enrolled in a Bachelor or Master of Science degree course: calculated according to a variable percentage according to the ISEE level, with a maximum value of expenditure of € 208 for ISEE up to € 50,500, or € 258 for ISEE above € 50,500
- The refund percentage is applied to:
 - the amount indicated on the purchase receipt, if this amount is less than € 208/€ 258
 - the maximum expense value that Politecnico takes into account (above), if this amount is higher than € 208/€ 258
- Ph. D. students → the maximum reimbursable sum is fixed at € 125

Information and documents to attach while carrying out the procedure

- Amount of the receipt
- Actual receipt including: first and last name, card number, purchase date, and pass duration
- Front/back scan of the card on which the pass is uploaded
- Type and number of the pass (for passes of GTT network)

How and when reimbursements are issued

- Reimbursements will be issued starting from **April 2026** according to the option chosen by the student in the section *Segreteria Online – Tasse e Pagamenti – Procedura per l'indicazione della modalità di pagamento*
- Applications will be processed only after verifying verification of both correctness and truthfulness of the attached documents

TPL Bonus 2025 – Local Public Transportation

- Students must declare whether or not they:
 - benefited from the TPL bonus at the time of purchase, or
 - have not benefited from the TPL bonus at the time of purchase and cannot benefit from it because they do not have the requirements requested by the regional contribution, or
 - have not benefited from the TPL bonus at the time of purchase but have the requirements requested by the regional contribution
- For those who have already benefited from such bonus and for those who have not benefited from it because they do not possess the requirements for the regional contribution, reimbursements will be paid starting from **April 2026**
- For those who have not benefited but possess the required requirements, Politecnico di Torino will reserve the right to verify reimbursement status directly with the Piedmont Region. In cases where the TPL Bonus was received, the amount of the bonus will be deducted from the reimbursement provided by Politecnico di Torino

Abbonamento Musei or FABLAB Membership Card

- A €11 fee is to be paid by the student (payment must be made to complete the request via Portale della Didattica)
- A confirmation email will be sent to the institutional email address upon correct completion of the procedure
- Activation is expected to begin in **March 2026**
