

Step by step guide: Physics of Complex Systems (International track)

HOW TO ENROL

Check the ranking lists* to know your status

* one ranking list for Italian/EU/equivalent applicants and one for quota applicants

“**ADMITTED**” or “**ELIGIBLE**” status:

- **confirm** your intention to enrol in the programme **via ticket** and **within the deadline**, under penalty of exclusion

“**NOT ADMITTED**” status:

- it is not necessary to follow any steps for this application
- if you wish, you can apply to other Master's degrees following their procedures

Check the final ranking lists

If you are **admitted** in the final ranking lists:

- **reserve your place** by **paying** the first instalment
- proceed with the **enrolment** within the deadline and once you have graduated

If you are **not admitted** in the final ranking lists:

- wait for a potential update of the ranking list
